

# A GREAT START TO OUR INAUGURAL YEAR!

Giving back has always been a core value to Executive Construction. The 2019 launch of the Executive Construction Foundation allows us to do more to pay our good fortune forward! In our first three months, we've supported 25 community organizations making Chicagoland a better place.

To learn more about our Foundation and how to contribute, visit: [ecibuild.com/giving-back](http://ecibuild.com/giving-back)

## THANK YOU TO OUR DONORS!

We can't do this alone, and are grateful for the generosity of our partners that have donated to the Foundation so far this year. Please consider supporting the firms that have helped us bolster the charitable work being done in Chicagoland to improve the lives of others.
